

## Confidentiality Agreement for *The Authorized Workshop Training Program*

Riso-Hudson student/teacher \_\_\_\_\_  
hereby agrees that all information they receive from *The Authorized Workshop Training Program (AWTP)* is provided with the express understanding that it is confidential and for their sole and exclusive use for their Authorized Workshop Enneagram teaching activities.

The afore-named Riso-Hudson student promises and affirms that the *AWTP* material they receive in any form (teaching points/"scripts," notes, verbal teachings, etc.) is for their personal and exclusive use only. The afore-named Riso-Hudson student/teacher hereby agrees that they will not copy any training material from the *AWTP* for another person or persons, or cause it to be copied, or loan it to someone else in such a way as to facilitate it being copied by anyone else.

If "team teaching" with another person is planned, both must be Riso-Hudson students and both must apply for and attend the full *AWTP*.

The afore-named Riso-Hudson student further acknowledges that the *AWTP* represents many years of work on the part of Don Riso and Russ Hudson and that they will take all reasonable precautions to protect their rights now and in the future. Copying or allowing the content of the *AWTP* to be copied or taught by another person is not only a violation of this License and of the authors' property rights, but would jeopardize the relationship of the afore-named Riso-Hudson student with The Enneagram Institute and deny them from any access to any further materials or training from The Enneagram Institute.
